

Terms of Service

The Ripper

Version 2.0 · Effective Date: [2026]

This template fills the gaps in your draft — termination, content licensing, liability limits, governing law, and dispute resolution — using standard structure for a site where users log in and post content. Bracketed [items] need your input. This isn't legal advice; have a lawyer licensed in Nepal review before publishing, especially the governing-law and liability sections.

1. Agreement to Terms

These Terms of Service (“Terms”) form a binding agreement between you (“you” or “User”) and The Ripper, a project operated by Pratik Giri (“we,” “us,” or “the Operator”) through the website located at giripratik.com.np (the “Platform”).

By accessing or using the Platform, creating an account, or posting any content, you confirm that you have read, understood, and agree to be bound by these Terms and our Privacy Policy. If you do not agree, you must not access or use the Platform.

The Ripper is operated as an independent portfolio and demonstration project. It is provided to the public in good faith, but it is not a commercially funded enterprise, and these Terms are written with that context in mind — particularly the limitations in Section 9.

2. Eligibility

You must be at least 13 years old to use the Platform. If you are between 13 and the age of legal majority in your jurisdiction, you confirm that a parent or legal guardian has reviewed and agreed to these Terms on your behalf.

By using the Platform, you represent that you have the legal capacity to enter into this agreement and that your use does not violate any law applicable to you.

3. Accounts & Security

Access to certain features requires signing in through an approved third-party identity provider (currently Google, GitHub, or Meta). We do not store your password for these providers; authentication is handled entirely by the provider.

3.1 Your Responsibilities

- Keep your login session and connected devices secure.
- You are responsible for all activity that occurs under your account, whether or not you personally performed it, unless caused by our breach of these Terms.
- Notify us immediately at [support email] if you suspect unauthorized access to your account.

3.2 Account Actions

We may suspend or terminate your account access at our discretion if we reasonably believe these Terms have been violated, with notice where practical. See Section 8 (Termination) for details.

4. Acceptable Use

You agree not to use the Platform to:

- Upload, transmit, or attempt to introduce malicious code, malware, or anything designed to disrupt, damage, or gain unauthorized access to the Platform or other users' systems.
- Probe, scan, or test the vulnerability of the Platform, or attempt to bypass authentication, rate limits, or other security controls without our prior written permission.
- Harass, threaten, defame, stalk, or impersonate any person or entity, including other users and the Operator.
- Post or share content that infringes the intellectual property, privacy, or other rights of any third party.
- Post content that is unlawful in the jurisdiction from which it is posted or that of the Platform's operation (Nepal), including content that is obscene, defamatory, or that incites violence or hatred.
- Use the Platform to send unsolicited bulk messages, spam, or engage in any automated scraping not expressly permitted.
- Misrepresent your identity or affiliation, or use the Platform for fraud or deceptive practices.

We reserve the right, but not the obligation, to monitor, review, and remove content that we believe in good faith violates these Terms.

5. User Content & License

5.1 Ownership

You retain all ownership rights in the content you create, upload, or post to the Platform ("User Content"). We do not claim ownership over your work.

5.2 License Grant to Us

By posting User Content, you grant us a non-exclusive, worldwide, royalty-free, sublicensable license to host, store, reproduce, display, and distribute that content solely for the purpose of operating, maintaining, and showcasing the Platform (for example, displaying your post on your profile or in a public feed).

This license ends when you delete the content or your account, except where content has been shared with or by other users in ways that reasonably cannot be undone (for example, if another user has already saved or forwarded it), or where retention is required for legal or security purposes.

5.3 Your Responsibility for Content

You are solely responsible for the User Content you post and for ensuring you have the necessary rights to share it. You agree not to post content that infringes another party's copyright, trademark, or other intellectual property rights.

5.4 Copyright Complaints (Notice & Takedown)

If you believe content on the Platform infringes your copyright, please contact us at [support email] with: (a) a description of the copyrighted work, (b) the location of the allegedly infringing content, (c) your contact information, and (d) a statement that you have a good-faith belief the use is unauthorized. We will review and remove content found to be infringing.

6. Intellectual Property of the Platform

Excluding User Content, all materials on the Platform — including the underlying source code, design, layout, graphics, logos, and “The Ripper” name — are the property of Pratik Giri and are protected by applicable copyright and intellectual property laws.

You may view and interact with the Platform for personal, non-commercial use. You may not copy, reproduce, modify, distribute, or create derivative works from the Platform's code, design, or branding without prior written consent, except where the underlying code is separately published under an open-source license, in which case that license governs.

7. Third-Party Services

The Platform relies on third-party identity providers (Google, GitHub, Meta) for login. Your use of those services is governed by their own terms and privacy policies, which we encourage you to review. We are not responsible for the availability, security, or practices of these third parties.

8. Suspension & Termination

We may suspend or terminate your access to the Platform, with or without notice, if we reasonably believe you have violated these Terms, engaged in unlawful conduct, or created risk or possible legal exposure for us or other users.

You may stop using the Platform and request deletion of your account at any time by contacting us at [support email]. Sections that by their nature should survive termination — including Sections 5.2 (residual license), 9 (Liability), 10 (Indemnification), and 12 (Governing Law) — will continue to apply after your account is closed.

9. Disclaimers & Limitation of Liability

9.1 “As Is” Basis

The Ripper is a personal portfolio and community project, provided on an “as is” and “as available” basis, without warranties of any kind, whether express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, non-infringement, or uninterrupted availability.

9.2 Limitation of Liability

To the fullest extent permitted by applicable law, the Operator shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of data, revenue, or goodwill, arising from your use of or inability to use the Platform, even if advised of the possibility of such damages.

Where liability cannot be fully excluded under applicable law, the Operator's total aggregate liability to you for any claim arising from these Terms or your use of the Platform shall not exceed [USD 10 / NPR equivalent — adjust as appropriate], reflecting that the Platform is offered free of charge as a non-commercial project.

9.3 Third-Party Content

We are not responsible for User Content posted by third parties. Views expressed by users are their own and do not represent the views of the Operator.

10. Indemnification

You agree to indemnify and hold harmless the Operator from any claims, damages, losses, or expenses (including reasonable legal fees) arising from your violation of these Terms, your User Content, or your misuse of the Platform.

11. Changes to These Terms

We may update these Terms from time to time to reflect changes in the Platform, legal requirements, or good practice. We will post the updated Terms with a revised “Effective Date.” Material changes will be highlighted on the Platform or communicated via the contact details on file where reasonably possible. Continued use of the Platform after changes take effect constitutes acceptance of the revised Terms.

12. Governing Law & Dispute Resolution

These Terms are governed by the laws of Nepal, without regard to conflict-of-law principles.

Before pursuing formal legal action, you agree to first contact us at [info.theripper@gmail.com] to attempt to resolve any dispute informally. If a dispute cannot be resolved informally within 30 days, it shall be subject to the exclusive jurisdiction of the courts of [Kathmandu, Nepal / your city], unless mandatory consumer-protection law in your home jurisdiction provides otherwise.

13. Severability & Entire Agreement

If any provision of these Terms is found unenforceable, the remaining provisions will remain in full effect. These Terms, together with our Privacy Policy, constitute the entire agreement between you and the Operator regarding use of the Platform.
